dean cain

Making Superman sexy is easy, but the proof of Dean Cain's potent charm lies in the fact that this star of ABC's *Lois & Clark: The New Adventures of Superman* manages to make even nerdish Clark Kent seem as if he is worth bedding.

sexiest city? "Paris, because it's so beautiful, has so much going on, and there's something in the air. But I wouldn't want to live there."

sexiest smell? "My girlfriend's skin [she's model-professional beach volleyball player Gabrielle Reece]."
