Legal Matters

In December, former *Lois & Clark* star **Dean Cain**, 35, filed for joint custody of **Christopher Dean Cain**, his 18-month-old son with his ex-girlfriend, Spanish model **Samantha Torres**, 28. Although Cain has been paying Torres \$20,000 a month in support, the two do not have a legally binding custody arrangement. Torres has filed a response, which allegedly claims that the actor is an unfit father. Cain's lawyer said his client is doing "what any responsible parent would." A lawyer for Torres said the model is upset "that her son is being used as a pawn for publicity."
