## A Super Man

**A**fter sweating off some calories at the gym, Superman **Dean Cain** stopped by The Coffee Bean on Sunset Strip for some java and bumped into two young girls asking for autographs. One handed the actor a piece of paper, but the other asked if he'd sign her T-shirt. Dean was happy to do it, but spilled his drink all over her in the process. He felt so bad, he pulled off his own shirt – showing off his steely physique – and signed that for her, too!
