INSIDE STORY

DEAN CAIN

ON THE BALL FOR CHARITY

It's not as impressive as flying, but TV Superman Dean Cain showed he has some nifty basketball moves at a charity game in Santa Monica. Cheering him on was his mum, actress Sharon Thomas (left), and son Christopher, four, who was keen to pick up a few tips (right). The ex-football star (below, in *The New Adventures of Superman* with Teri Hatcher), 38, plays a baseball champ in his latest TV role.

Ce n'est pas aussi impressionner que de voler, mais le Superman de la télévision, Dean Cain, a montré qu'il avait du talent en jouant au basketball, lors d'une joute pour une oeuvre de charité, à Santa Monica. □ Sa mère, l'actrice Sharon Thomas (à gauche) et son fils, Christopher, 4 ans, qui en profitait en même temps pour recevoir des conseils de son père, étaient venus l'encourager. L'ancien footballeur vedette (voir la photo plus bas tirée des Nouvelles Aventures de Superman, avec Teri Hatcher), 38 ans, joue le rôle d'un joueur-vedette de baseball dans sa toute dernière série télévisée.
