### ANTONIO & MELANIE

Aspen regulars — they have a home there — Antonio Banderas and Melanie Griffith learned skiing isn't always easy. While the Spanish-born star bundled up for a downhill slide, Melanie struggled with their truck's ski rack.

### DAVID SPADE

David spent his days on the Aspen slopes and the night of Dec. 28 checking out fellow former SNL star Kevin Nealon's comedy show at a nearby venue.

### DEAN CAIN

Dean gave his little skiwee — three-and-a-half-year-old son Christopher — a lift in Aspen with the help of his half-sister Krisinda.
