

Dean & Tiffany

Former TV Superman **Dean Cain** is flying high with a new squeeze! He stepped out with brunette stunner **Tiffany Michelle** at the Ante Up for Africa Charity Celebrity Poker Tournament in Las Vegas on July 2. "Dean and Tiffany were really sweet with each other," a partygoer tells *Star*. "They walked around holding hands, and they were sneaking kisses." Dean, 42, and 25-year-old Tiffany, a professional poker player, hit it off immediately when they first met at a card tournament in L.A. in early June. And things are obviously getting serious. Not only did Dean introduce Tiffany as his girlfriend, but "whenever he got pulled away by someone, he always hurried back to her side as soon as he could," says the partygoer. "He seemed thrilled to be with her." ★
